WHO WE ARE

OUR FACTORY · JIEYANG, GUANGDONG

2,000 m² production & warehouse space · 50+ professional team

Shenzhen Shuoyuanda Technology Co., Ltd.

Shuoyuanda is a stainless steel kitchenware manufacturer and supply chain company integrating R&D, production, and sales. Our self-owned factory is located in Jieyang, Guangdong — one of China's leading stainless steel kitchenware manufacturing hubs — covering approximately 2,000 m² of production and warehouse space with a team of 50+ professionals.

Our product range spans four categories: kitchen tongs & clips, cooking utensils, baking & measuring tools, and daily household essentials, crafted primarily from food-grade 304 / 316 stainless steel. Driven by product innovation, several of our designs have been granted national design patents, and full product certifications and quality test reports are available for our entire range.

We offer OEM, ODM, and ready-stock wholesale — committed to bringing our global partners better prices, easier sourcing, and higher margins.
